2041.3 Guard Requirements

a. COMNAVREG MIDLANT guards Hecklar continuously. Upon setting Readiness Condition Three (THREATCON BRAVO) or Hurricane Condition I, all activities will commence continuous guard of their Command and Control Net. When a disaster occurs without warning, activation should be automatic, with activities attempting to contact COMNAVREG MIDLANT OPCON or Duty Officer.

b. Activities should perform periodic routine maintenance checks to ensure all equipment is operational.
